SERIES VICESIMA TERTIA.

Epistolas fere innumerabiles et magni momenti complectitur Patrologia; sed ne Lector, molesto simul ac infructuoso labori incumbens, tot inter et tantas divitias, per ducenta volumina sparsas, abiret inanis, illi subvenire statuimus; quod ut assequeremur, omnes epistolas in varias distribuimus classes, quarum prima dogmaticas, secunda morales, tertia canonicas, quarta disciplinares continet; quinta vero cunctas de quolibet themate agentes, juxta rerum analogiam et chronologiam auctorum. Præterea subsequuntur Indices alphabetici auctorum et eorum quibus epistolæ inscriptæ sunt, etc. Sic ne minima quidem epistola Lectori excidet in hac Serie.
